

CARIBBEAN MUSUEM CENTER FOR THE ARTS

Stylish. Classic. Unforgettable.

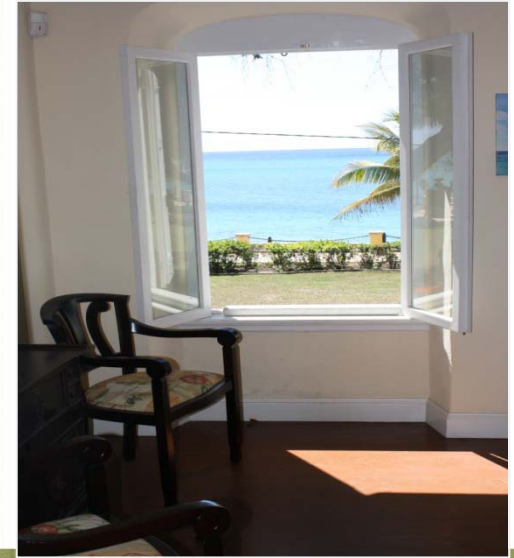

Erected in 1780 as a Danish Town House, the beautiful building that houses the Museum Center overlooks renovated Strand Street, Frederiksted.

CMCA's vibrant art collection can accentuate a variety of themed rooms to make your event truly exceptional

The Museum Center (CMCA) is a distinctive, historic-style special events venue located in Frederiksted's Historic District. Our indoor-outdoor facility is filled with old-world romantic charm, modern Caribbean art and distinguished Danish architecture to bring a sense of elegant celebration to your event.

CMCA's upper rooms have 4,000 square feet of exhibition space and can accommodate 400 guests to your tasteful wedding reception, holiday party, corporate event or gala. Our upper rooms are warmly accentuated by track lighting and hardwood floors, and invite you to a windswept view of brilliant sunsets and the rolling Caribbean Sea.

If you prefer an outdoor or more casual event, our cool cobblestone courtyard and lower rooms offer a perfectly private venue for bridal showers, movie screenings and networking events with over 3,000 square feet of space that can accommodate 300 guests, family and friends.

CARIBBEAN MUSUEM CENTER FOR THE ARTS

Stylish. Classic. Unforgettable.

The CMCA building is a picturesque balance of the romantic classic and the cool contemporary, set against one of the most enchanting views of a historic town in the entire Eastern Caribbean.

Your event deserves such an impressive distinction.
